WILLIAMS TURBOJET 385

New 2007

Inflatable boat : rigid inflatable tender (jet propulsion) 3.85 m- 12' 8"

Typical suitability for yachts of over 20 meters

Leave the yacht at anchor and explore further afield with the Turbojet 385. Stylish and practical, the T385 is the leader of the pack. Her sports boat hull gives truly awesome open water performance and a breathtakingly smooth ride, and with seating for five adults and one child plus storage, this tender has capacity beyond her size.

Power, precision and purpose - The Turbojet 385. - 40+ knots - 140 hp
350 x 380 - Seating: 5 adults + 1 child

JET SKI BOMBARDIER SEADOO GTX 2000 Millennium Edition

Sea-Doo GTX Limited Millennium Edition

It stands to reason that a company which manufactures jet engines could also produce a "Best Of" personal watercraft like the Sea-Doo GTX Limited. With the expertise to propel dozens of people across the sky, Bombardier certainly can send you blasting across the water atop the GTX Limited's supercharged, 138 hp engine featuring the awesome Sea-Doo Direct Drive propulsion system. Sea-Doo touts the GTX Limited as the most fully featured personal watercraft around, and it's hard to argue with the 2000 model's new sleek, sophisticated Cosmo Blue body and front and rear touring seats that make you feel like you're settled into a comfy sofa. The sky's the limit on fun aboard the GTX Limited.

(331.0cm) x 48.0 in. (122.0cm) - Rider capacity: 1, 2 or 3
